Service Title:	Mistley Kids Club Ltd
-----------------------	------------------------------

Service description (please give an overview of the service)

Mistley Kids Club is a fully inclusive childcare provider. Our aim is to meet the needs of all children with SEND. We have vast experience in caring for children with physical disabilities and children who have allergies and other medical conditions. We offer after school care and holiday care all year around apart from weekends and bank holidays. We offer pickups from local schools but there is a cost involved. The village hall is accessible with an accessible ramp to get into the building. There is parking right outside with a large free car park. We have two large accessible toilets and a newly built wet room with a shower and electric changing system. There is a charge for our service, which is £8.00 after school and £19.00 during school holidays. Activities for our children include outdoor play with our new canopy keeping children dry and in the shade. Role play, acting, group games, trips out, games machines, toys i.e., Lego, dolls, dressing up, arts and crafts, cooking & gardening. We have use of the local park and skate ramp. We have a beautiful woods and lots of field. We provide lots of sports activities and the children love the new table tennis table.

Who the service provides for e.g. age ranges	We are fully inclusive and aim to provide care for all children aged from 4 years until 16 years. If the child has special or additional needs, then we can increase the age up to their 19 th birthday. Our only area of concern is that we are based in an open space in a village hall and if your child requires a secure unit then kids club would not be suitable for them. For many of our children we have lots of visual supports i.e. pecs and many of our staff are trained in Makaton. We have a named SENCO who works closely with all parents and carers making sure all the needs of the child are met. Each child has their own individual plan which will include decision making of the child and parents/carers.

<p>How the service is accessed - first point of contact or referral</p>	<p>We have our own website www.mistleykidsclub.co.uk or you can telephone 07809176252. The office manager will answer the phone and direct you in the right place. We also encourage parents/carers just to call in and see us in action. Some children are referred to us by social care and some children who have special or additional needs who don't have social care who need help then we will try to get them support. Currently we have 139 children with SEND on our books so we are holding a waiting list for children who require 1-1 support.</p>
